

Letter Cube Blending Activity (Florida Center for Reading Research, 2009)

Directions: Have the student toss the Letter Cubes. Line up the Cubes in GREEN-BLUE-RED (G-B-R) order. Have the student sound out each of the letters on the Cubes in G-B-R order. Have the student read the 'word' spelled out on the Cubes. Then have the student decide whether the 'word' is real or nonsense and write the word under the appropriate column below. Continue until at least 10 'words' have been generated by this group activity.
